Braille and Audio Reading Download (BARD)

- Free BARD mobile App available in the Apple and Google Play stores for use on smartphones and tablets.
- 3rd party player compatible, such as Victor Stream.
- Librarians can put books on patron's BARD wish list for download!

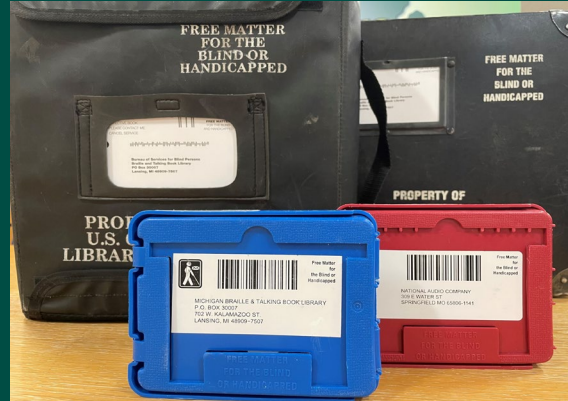

Mail Service

Braille and audio books mailed directly to the patron's home for free.

Download on Demand (DoD) audio book system:

- Custom cartridges, no waiting for the other patrons to return a copy
- Multiple books on a single cartridge complete with titles curated for each patron.

eReader

- 20 cell refreshable braille display
- Humanware product
- Books can be downloaded via BARD right to device OR mailed on cartridge
- 2 devices per school account

What's Available?

- Similar in collection to a public library:
 - Fiction – Adventure, mysteries, historical fiction, science fiction, etc.
 - Nonfiction – Biographies, history, science, religion, war, etc.
 - Print-braille
- Never wait on a hold list for popular books!
- Read as long as you'd like- no late fees!
- NLS collection v. Michigan content
- Clubs, DVDs, Summer Reading, etc.

Application Process

- [BTBL application](#) available online or in print upon request
- Any version of the application will be accepted as long as the certifying authority section is completely filled out.
- Electronic signatures of certifying authorities now accepted.
