

Pre-production Book Review

Foreign language (what kind(s); how prevalent)

1 - None That I saw

Names of real people/proper nouns that have to be looked up

4/5 - Many ~~proper~~ ^{real} names that all must be pronounced correctly. Fans will have errors.

Sentence Structure (short/simple, long/compound, run-on, etc)

3/4 - Sentences tend to run on; lots of statistics

Genre (history, sci fi, mystery, poetry, etc.)

Sports

General Difficulty

3 3/4 - sentence structure can be tricky + all names must be perfectly pronounced for fans

Scientific or mathematical terminology

1 - None That I saw

Type of voice recommended for narration (male, female, child-like voice, authoritative, etc.)

Male probably best, but baseball boy female would also work

Strong language/sex/violence

1 - None That I saw

Please rate the book in each applicable category with a number from 1 to 5, 1 being the easiest/fewest occurrences. Please write in any additional comments below that would help us best assign the book.
